

ABOUT

BELLA NINO

Hello everyone! My name is Bella Niño and I am a senior from San Antonio, Texas. I am a Geology major with minors in Energy Business and Sustainability. At TCU I am a member of the John V. Roach Honors College where I am conducting Geological research, was a prior John V. Roach Honors College Mentor, am the current TCU Sustainability Intern, am a board member and Treasurer of the TCU Geological Society, VP of Communication for the TCU Energy Club, Alpha Chi Omega Iota Lambda chapter member, and member of TCU Student Support Services. In my free time I love to read, spend time with friends and family, walk my dog, and try new restaurants around Fort Worth! I am beyond excited to be a peer mentor this semester and cannot wait to get to know all of the Geology and Earth Science students! I am here to help in any way I can so please stop by my hours for literally anything.
