# PAIGE DEBOYES

Hello everyone! My name is Paige DeBoyes and I am a nutrition major from Merrimac, Massachusetts. At TCU, I am a member of the Student Nutrition and Dietetics Association, Phi Upsilon Omicron, and the Academy of Nutrition and Dietetics Student Association. I am on track to complete my bachelor's degree in 2025 and my master's degree in 2026 at TCU as part of the Combined Dietetics Program. I spend time volunteering at the Fueling Station for the athletes at TCU in hopes of one day pursuing a career in Sports Nutrition. Outside of academics, I am involved in Greek life and love spending time with friends. I am excited to be a peer mentor this year and I am looking forward to meeting all of you!
